**Proposers Responding to RFP #317.03-186-08**  
**Data Center Migration Planning**

To whom it may concern:

Thank you for your proposal in response to RFP# 317.03-186-08. The State has cancelled this Request for Proposals (RFP).

Based upon our review of the proposals and the RFP language, the State has determined that the RFP did not clearly convey the scope of services and requirements for this complex and important project. The State plans to clarify the requirements and issue one or more competitive procurements for the services at a later time.

We appreciate your interest in providing services to the State of Tennessee and hope that you will respond to future procurement opportunities.

Sincerely,

*M. D. Goetz Jr.*
